

CONTENDER[®] or BRUNSWICK?

Understanding the Differences

CONTENDER[®]

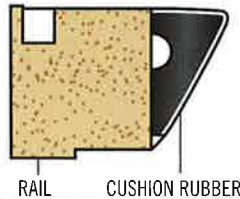

BRUNSWICK

The perfect starter table.

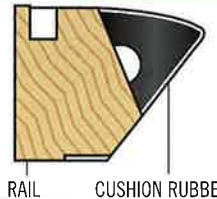

Beautiful tables offering heritage and craftsmanship.

Contender[®] cushion rubber—unique Brunswick design for recreational play.

RAIL CUSHION RUBBER

SuperSpeed[®] cushion rubber—patented industry standard for over 70 years. Provides exceptional accuracy and consistency every time you play.

RAIL CUSHION RUBBER

MDF/plywood/solid wood construction—durable and strong.

Solid wood—premium materials to last for generations.

Nut and bolt assembly—quality fastening system for solid performance.

Dovetail cross supports*—utilizing Old World construction methods for superior modern-day performance.

Pearlized rail sights—made of wear- and fade-resistant composite resin.

Mother-of-pearl rail sights*—genuine cultivated pearl material offers a beautiful contrast to the rail wood finish.

Leather or man-made leather pockets—providing options for the price-conscious shopper.

Genuine leather pockets—strong and durable while aging beautifully over time.

*Applies to most Brunswick brand tables.
